COACHING WOMEN OF COLOR is a premier executive coaching & leadership development firm that collaborates with organizations to strengthen leadership at every level, improve team effectiveness, and embed equity into the heart of workplace culture.

By coaching leaders to lead authentically, adapt to change, and dismantle barriers, we drive transformation that benefits the entire organization, while advancing women of color into positions of influence and impact.

CORE CAPABILITIES

EXECUTIVE LEADERSHIP COACHING

Deliver individualized, identity-affirming coaching that empowers leaders to lead with authenticity, navigate power effectively, and achieve sustainable success at senior and executive levels.

EMPLOYEE RELATIONS SUPPORT

Provide employee relations support to managers in addressing performance challenges, including identifying root causes and developing action plans. Coach underperforming employees to achieve measurable improvements.

GROUP COACHING PROGRAMS

Facilitate structured group coaching experiences that support leaders in building strategic skills, enhancing leadership capacity, and navigating workplace challenges collectively.

TEAM DEVELOPMENT PROGRAMS

Strengthen team dynamics by using the DiSC assessment to improve communication, build trust, and promote collaboration with a focus on psychological safety and equity.

LEADERSHIP RETREATS

Design and lead immersive retreats that promote reflection, renewal, and leadership transformation aligned with organizational goals.
